I wish to become a member of the WI

I wish to become an Associate of the NFWI

The Associate option is designed for those who lead very busy lives, women who may find it difficult to attend regular meetings, yet at the same time want to be part of the WI and what it stands for. Becoming an NFWI Associate provides an opportunity to share the benefits of the WI on a more flexible basis. For more information please call the Membership Secretary on 0207 371 9300, or email us at [hq@nfwl.org.uk](mailto:hq@nfwl.org.uk), or visit [www.theWI.org.uk](http://www.theWI.org.uk).

*The strength of the  
WI is in its diversity;  
make **your** WI  
everything you want  
it to be.*
